

Being A Good Student

Hi everyone! Today I am going to talk about the times in my school. If you are wondering why am I writing a story again, it is because I really likes to write stories. Like J.K. Rowling is a wonderful writer. So let's start this story.

You know that in schools, we get awards IF we are behaving well. In my school we have awards like: student award, CCAs and sometimes in other subjects. I have got student award before in P1. And I get it the first one(1st)!! This year,(2020) I am P2 and I get to be the class vice chairman!

Being a chairman was harder than I thought, it was..... The class was so noisy that is was so hard to make them quiet!?! Some students just talk freely, and I feel so annoying and when they finished talking they laugh!! AND I also hate my table..... Because it's rocky so as my chair.

Nowadays, you know coronaviruses, are making our recess worst! We need 1 metre safe distancing and everyone can't play during recess. My recess is 9:30~10:00. Just to tell you a little secret : I am as tall as my teacher. I am 145 tall. I don't even know what makes me so tall! He he..... Some people call me "tally".

At school we learn: Mother Tongue, English, Math, Music, Art, Physical Education, FTGP and PAL. My form teacher is Mdm Liz and my co~form teacher is Ms Lim. Mdm Liz is a Malay and Ms Lim is a Singaporean.

My class is 2 Empathy. One of my friend said it was a good class. There are classes in my school like: Care, Diligent, Empathy, Faith, Grace, Integrity, Perseverance and Respect. This is how my school uniform looks like...

The wall behind the students is the canteen.
(p.s. none of them are me, I just got it from google.

Here are some other pics of my school below, enjoy! I hope you like it very, very, very much. And.....

Of course I don't show you the restroom. He
he.....

School is really fun. I really, really just hate my rocky table.....It's very annoying too. My teachers don't really give much homework to us. Maybe just 1 or 2. I don't have a single homework when I was P1! So I went to student care.....

My student care teachers may change. Now my 2020 student care teachers are : Ms Valerie and Mdm Hu. Mdm Hu was my kindergarten teacher. And my kindergarten's name is Kinderland. If I can remember there is 16 kinderlands. The kinderland I was at is at Choa Chu Kang beside LoTT One building. On the right side, that is my kindergarten logo. You can watch my graduation concert below. Enjoy!!

O / R

The letters 'O' and 'R' are positioned on either side of a diagonal line, suggesting an 'OR' operation.

Well, did you enjoy it? My mom said "It's special!". Of course you will ask why. It's because my kinderland show has music, drama, even speech! But others don't really have the same. Some only have music, dance. And some have like gym! Before the concert happened, I brought one of my pups soft toy. So I can make myself feel better on, "It's ok, don't be scared on primary one. I could make new friends".

Now I have more friends at school! They liked to play with me. Ok now back to my primary school... On my first day in Yew Tee primary school, I haven't even think how big can this school be, even though I always walk past.

I can share some tuitions I have, 1. My English School 2. Dancepointacademy, ballet 3. 火花思维(math) 4. The Piano Solution(piano). 5. Science. Basically almost every tuitions are 2on Saturday.

And I think it's the end of this essay, I will see you next time! Bye! And stay.....
